FOR IMMEDIATE RELEASE

The Institute of Inspection, Cleaning and Restoration Certification (IICRC) is proud to announce that Ty Eden of S.T.O.P. of Dupage in Winfield recently has qualified by education and examination as a Certified Water Damage Restoration Technician. This student has sacrificed many hours and a great deal of time and study to reach this level of certification.

Tom Hill, IICRC Executive Administrator, states Ty Eden is an example of the type of individual who cares about consumers and their belongings as well as his industry. He has demonstrated the desire to provide customers with thorough, professional, and caring service.

The IICRC is a nonprofit certifying and standard-setting organization dedicated to raising industry standards through technical proficiency. By administering a strict process of certification, the IICRC provides a means by which consumers can receive the highest quality of service from trained, knowledgeable, professional technicians.

Ty Eden joins the ranks of the true professionals within the cleaning, restoration, and inspection industry. The IICRC welcomes his participation and continuing education.
